NOTICE TO KEYHOLDERS.

Keys to be used only in case of actual necessity.
If this request is not complied with, the Key will be taken from the holder.
Upon the discovery or positive information of a fire near your Signal Box, pull down the hook once and let go; then wait a few moments, and if you hear no alarm from the large Bells or Whistles, pull down again; if you still hear no alarm, go to the next nearest box and give the alarm from that. If no light shows up, wait at the box and direct the firemen to fire. Never signal for a fire seen at a distance. Be sure your box is locked before leaving it. If the box have a keyless door, turn the handle to the right until you are able to open the door, then pull the hook as in any other box. The mere turning of the handle will not give the alarm.
Do not give an Alarm for a Burning Chimney. Give an alarm for no cause whatever, except an actual fire. Second and subsequent alarms will be turned in only by order of the Chief Engineer or his Assistants.

STREET AND AVENUE GUIDE
OF THE
CITY AND COUNTY OF SAN FRANCISCO.

COMPILED FROM OFFICIAL SOURCES.

EXPLANATIONS.

According to the method adopted in this city for numbering buildings, Market Street is the starting point for numbers on all streets running from it in a northerly, southerly or westerly direction, and the water front for all streets running therefrom in a westerly or southwesterly direction. The numbers on all streets not commencing at Market Street or the water front run in conformity with the numbers of the main streets running parallel with them, except in the case of a few streets which are numbered in an irregular manner.

On all streets between the water front and Central Avenue the even numbers are on the right-hand side, and the odd numbers on the left, starting from the point of beginning. Beyond Central Avenue most of the streets have been numbered in a contrary manner. One hundred numbers, or as many thereof as are necessary, are allotted to each block bounded by main streets; for instance, Montgomery Street commences at Market, and the main streets crossing as you proceed north are Sutter, Bush, Pine, etc. Therefore any numbers between 1 and 100 will be found on the right or left hand side of the street between Market and Sutter, between 100 and 200 from Sutter to Bush, between 200 and 300 from Bush to Pine.

In the streets which are numbered, a dash (—) indicates that the cross street does not extend to that side; (o), the street borders on the bay, or public park, cemetery, etc., consequently there are no buildings on blocks thus designated; (c), the street is not opened through the block, or is interrupted in its course at that point by a public square, cemetery, etc.; (e), end of street.

The following-named localities referred to in the Street Directory are situated as follows: Academy Tract, northwest side of Mission Street, between Silver and Ocean Avenues; Bernal Heights, west of Twenty-sixth Street, between San Bruno Avenue and Mission Street; City Land Association Tract, northwest of San Jose Avenue, near County Line; Clarendon Heights, north of Twentieth Street, between Lincoln Avenue and San Miguel Rancho; College Homestead, east of Mission Street and north of Silver Avenue; Excelsior Homestead, southeast of Mission Street, near County Line; Fairmount Tract, south of Thirtieth Street and west of Mission Street; Islais Creek, from west side of San Bruno Avenue, near Silver Avenue, north and east to the bay; Laguna de la Merced, near the County Line and ocean, 6 miles southwest of City Hall; Lake View, west of San Jose Avenue, from Ocean Avenue south to Railroad Homestead; Ocean View, west of San Jose Avenue near County Line; Paul Tract, near junction of San Bruno and Railroad Avenues; Presidio Reservation, west of Lyon, and north of Pacific Avenue and Lake Street to the bay and ocean; Railroad Homestead, northwest of San Jose Avenue, near County Line; Richmond District, west of First Avenue and north of Golden Gate Park to the Presidio Reservation and ocean; San Miguel, near the junction of San Jose and Ocean Avenues; Silver Terrace Tract, between San Bruno and Railroad Avenues, south of Silver Avenue; South San Francisco, south of Islais Creek and east of San Bruno Avenue to the County Line and the bay; Spring Valley Homestead, west of Mission Street, near Silver Avenue; Stanford Heights Tract, west of Bellevue Street, from Twenty-sixth south to Thirty-first Street; Sunnydale Tract, west of San Bruno Avenue, near the County Line; Sunnyside, west of San Jose Avenue, near Ocean Avenue; Sunset District, south of Golden Gate Park from First Avenue west to the ocean; Sutro Heights, termination of Point Lobos Avenue, between Forty-eighth Avenue and the ocean; University Homestead, west of San Bruno Avenue, between Silver Avenue and Visitacion Valley; Visitacion Valley, between San Bruno Avenue and Mission Street, near County Line; West End Homestead, north and south side of County Line, near Mission Street; West End Tract, between San Jose Avenue and Mission Street near County Line.

SAN LUIS HOT SULPHUR SPRINGS Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the action of the water, which make alcohol particularly injurious if assimilated at the same time. At least a gallon of the water is to be used after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* **SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.**

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the two, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

Address SAN LUIS HOT SULPHUR SPRINGS, San Luis Obispo, Cal.

Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor which must be strictly avoided, owing to the antiseptic chemical principles of the water, which make alcohol pure and unadulterated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Menifon S. F. Directory. THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly hazardous. Also, no smoking is allowed for one hour after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for drink will disappear after using the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS
THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.
Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.
